Spaces Available for Hire

Welcome,

At Danecourt School, we believe in fostering a sense of community and providing a space that extends beyond the traditional school day. Our facilities are not only a hub for learning but also a venue for various events, activities, and community gatherings. With on-site parking available, attendees can easily access the premises without the need for additional arrangements. The process is designed to be straightforward, allowing individuals to enter the site without the constant supervision of a staff member. Prior to the hire, we provide a thorough orientation to ensure a smooth experience, including guidance on accessing the building.

The state-of-the-art speaker system keeps the atmosphere vibrant, while a versatile range of equipment caters to various sports. The built-in trampoline adds an exciting dimension for gymnastics and acrobatics.
