Our learning this term:

We are learning all about ourselves and others with a topic focus of family tree.

We are getting to know one another as well as the environment and starting to introduce some of our daily routines.

We will be exploring our different senses through a variety of activities and equipment.

We will be learning about our likes and dislikes and discovering what we find highly engaging.

We will be looking at how we communicate with others and identifying ways of helping us communicate.

Here are some examples of areas your child may be learning and exploring:

Here are some of the AMAZING support staff that will be supporting your children to learn and grow:
