21st October - Last day of term

Messages/Information:

Please could you send in some photos of your child and family members to support our topic work around families. This could be printed copies or you can send them electronically via Dojo.

Thank you

Our learning this term:

This term, we will be exploring topics including me, my family, my home, looking after myself and my class.

As part of this our topic learning will be "Family tree" and we will be completing lots of topic work around people in our family.

This will include creating and writing sentences about ourselves and our family members. We will be learning about number and pattern in our maths sessions.

We will also be learning about self-care and how to look after ourselves, including keeping ourselves clean e.g. hair brushing, teeth cleaning.

If you would like any further information please do not hesitate to contact your child's class teacher. You will see examples of what your child is getting up to on Evidence for Learning.
