Our topic this term is:

Wonderful World

We are looking forward to all our learning in the last term this year.

We are looking at information texts and trying to make our own information book.

We will be learning music and dances from around the world and tasting different foods and exploring atlases and globes.

We will also be working on looking at the similarities and differences between us and our friends.

We would love any photos of the children visiting different places either around the world or nearer to home.
