Our learning this term:

Our topic this term is all about family and our own identity. We are working towards a Stay and Learn afternoon, on the 20th October, when all three classes will be hosting a session at Danecourt Bligh.

We will be looking at the new school logo and talking about how fingerprints are unique and therefore how we are all different. We are focusing on questioning to find out information about each other and our families and are looking forward to finding out new things about our friends.

In maths we are continuing to work on pattern and number work.

We are looking forward to voting for our new school councillors and will be linking this to current news of our new Prime Minister.
