## Messages/Information:

From 25th September we are completing some work on families. It would be great to have some **family photos** for the children to look at and explore. This could include mum, dad, siblings, pets and extended family. Please send via dojo and we can print these out.

## Our Learning This Term:

This term our learning will be focusing on the theme of Let's Explore Our Senses. We will be learning about our senses, our bodies, our class, friends, family and community.

We will be exploring this topic through attention everyone, sensology and a wide range of discovery activities.

We will also be working on developing our independence and communication skills, through intensive interaction, independent work tray activities and turn taking activities.

Later in the term we will be completing activities around the theme of looking after myself and practising essential skills, such as washing, dressing, making a healthy snack and understanding our emotions.

We are looking forward to sharing our progress and successes with you this term and will share these through Evidence for Learning. We would love to see all the successes you are seeing at home so please do share examples with us on the same platform! If you need any support with accessing Evidence for Learning just let us know.
