Michelle Hodges

STINGRAY CLASS
Gail Richards

DOLPHIN CLASS
Karen Pugh

TURTLE CLASS
Marie Rice/Jayne Hehir

LOBSTER CLASS
Debbie McLeish

Our Learning This Term:

Theme - Who am I

Community: Understanding the World: People Culture and communities

We will be learning how to become increasingly independent at school and home and building upon our ability to follow instructions.

Sharing information with new friends about family, where I live, familiar places and how to get there looking at maps.

We will be looking at similarities and differences between people and to accept differences as well as sharing our favorite things.

Reading and writing: Labels, Lists, Instructions
We will be reading and writing instructions on how to make snacks and follow simple recipes. We will be creating shopping lists. Matching labels to key buildings we recognise.

Maths: We will be extending our knowledge of positional language and using capacity, weight and length in our class and school environment. We will be looking at simple maps, learning that roads and places have specific names.

Communication: We will be working on listening and attention skills and working on our individual targets.

Wellbeing - We are going to be developing our independence skills whilst eating our lunch, lining up playing, asking for help and letting adults and friends know how we are feeling. Classes follow the Pelican or Jigsaw PSCHE curriculum.

PE- Our focus is dance this term. We will be learning to follow a sequence and link two or more movements. Towards the end of the term we will be using our skills to work with a partner. Working towards a celebration of me party for the track
